Do you have a tablet or smart phone and want to look up articles? We have an app for that. Or rather through VUU Library, EBSCOhost does.

From the VUU Library website, get on any EBSCOhost database (Academic Search Complete for example) and scroll to the bottom of the page. If you are off-campus, follow the directions for off-campus access and then scroll to the bottom of the page. Click on the link for iPhone and Android apps.

Enter your email address.
On your mobile device, access your email, and follow the directions.

Dear EBSCOhost user,

To begin using the EBSCOhost iPhone app and Android applications, follow the instructions below.

**Step 1:**
Download the app from the [iTunes Store](https://itunes.apple.com) or [Google Play](https://play.google.com).

**Step 2:**
View this email on your device, then tap this [authentication key](#).

(Note: You must access the link in Step 2 from your device. The activation link will expire in 24 hours.)
